WILSON WILL WIN, DOREMUS AFFIRMS

People to Give Him Democratic Congress Too, Says Campaign Chairman.

NO LACK OF CONFIDENCE

ion of President Wilson was prophesied Congressional campaign committee. "Inpired" reports that Democratic leaders are losing hope Mr. Doremus characterzed as unfounded. His statement fol-

"In certain inspired quarters sedulous attempts are being made to create the impression that despite the tremendous popularity of President Wilson the Democrats entertain slight hope of winning the next Congress. One indication of this propaganda is shown by the wide publicity that has attended the announcements of Representatives Page of North Carolina, Eagle of Texas and Sherwood of Ohio that they will not seek reselection.

thing else is the assurance that has come to me recently of support from Republi-cans and independent sources. Men who never voted the Democratic ticke

frankly avow their intention to vote and work for a Congress in sympathy with Nr. Wilson because they realize that the President's hands would be tied if a Republican Congress were elected. "In 1914 for the first time in many years the party in power retained its control of Congress following a general revision of the tariff. All the indications

Mason & Hamlin

For those willing to pay the price, the Mason & Hamlin Piano offers values beyond comparison.

First, the tone quality of the Mason & Hamlin is unequalled, and is so generally regarded by competent judges. Second, a longer life of tone is assured by our patented Tension Resonator system of construction than is otherwise

Third, the touch, or action, is so scientifically and deli-cately adjusted that it responds to the desire of the player without imposing physical fatigue.

For these reasons, brought about by a willingness to spend enough money to build the most supremely beautiful of all pianos, the Mason & Hamlin has earned the distinc-tion of being the
